

COMMUNITY WATCH

Over the past several community planning sessions, general band meeting and in general conversations with community members, the subject of Community Watch keeps coming up.

Community Watch is an organized group devoted to prevention of crime and vandalism.

I have agreed to start planning for this to happen in our community ASAP.

The committee will be meeting April 29th and continue the third Wednesday of each month at one o'clock. Next meeting to be May 17th to start organizing, planning and implementing this program.

If you are interested in being involved, please contact me at 250-319-0459.

Heather Eustache

A BIG THANK YOU to the community for participating in the Simpcw Health Program Community Needs Assessment. No surveys will be accepted after April 28th, 2017. The results will be made available to the community afterwards.
