Chinook Cove Water System Upgrades Design - RFP No. 23-001

Addenda

Proponents are required to check Simpcw's website for any updated information and addenda issued before the Closing Date at the following website address:

<https://simpcw.com/tenderrfp.htm>

The purpose of this RFP is to invite Proposals from professional, qualified and experienced firms to complete a design for upgrades in the Chinook Cove and Louise Jules water systems in the Simpcw First Nation North Thompson IR1 to address the poor water quality, the deficient storage and the aging infrastructure.

Obtaining RFP Documents

RFP Documents are available upon request to email band.administrator@simpcw.com.

Printing of RFP documents is the sole responsibility of the Proponents.

Proposals will be received on or before 2:00 PM local time on:

Tuesday, January 31, 2023 (Closing Date and Time)

Enquiries

All enquiries regarding this RFP should be submitted in writing 3 business days prior to the Closing Date, referencing the RFP number and name sent to email band.administrator@simpcw.com.

Simpcw reserves the right to accept or reject any or all Proposals and will not be responsible for any costs incurred by the Proponents in preparing a response.

Proposals will not be opened in public.

Simpcw reserves the right to negotiate concurrently with the highest ranked Proponent(s).
