Region: Southern Interior

Hours of work: Full-time (37.5 hrs/wk)

Flexible Work Role: Field

Annual salary: \$ 95,000.00 - 102,200.00

---

### What you'll do

- \* Inspects projects activities, administers contracts and maintains liaison with contractors/Construction Services to ensure that work, materials, progress and costs meet BC Hydro expectations; resolves related problems and advises staff of major problems; authorizes payments and acceptable deviations from contract specifications.
- \* Conducts, evaluates and directs on-site testing, surveying and estimating activities.
- \* Provides input into project planning and the drafting of tender documents; participates in pre-job meetings.
- \* Maintains liaison with project team members and local interest groups and related agencies; identifies construction and environmental problems and recommends alternative strategies.
- \* Holds work leadership responsibilities for, and performs the same duties as lower level Construction Officers and other technical and clerical staff assigned to the project.
- \* Acts as Site Safety Coordinator to ensure all regulations, acts, safety and security requirements are met.
- \* May act as Project Controller in accordance with SPR requirements.
- \* May be required to act as official on-site BC Hydro representative with the associated authority to commit BC Hydro to project activities and resulting costs.
- \* Prepares reports of project activities and arranges for required permits and clearances.
- \* Provides a high level of expertise in a technical specialty and/or provides a broad multi disciplinary expertise.
- \* Performs duties of a minor nature related to the above duties that do not affect the rating of the job.

### What you bring

- \* Completing of a National Diploma of Technology in either Civil & Structural or Electrical from an Institute of Technology or relevant trades apprenticeship course or equivalent plus additional training in contract law and four (4) years of related construction experience.
- \* Must hold a valid class five (5) driver's license.

### What we offer

- A comprehensive benefits package
- A minimum of 15 paid vacation days
- A lifetime pension
- Flexible work model, depending on your role type

- Training and development courses

For more information on the benefits we offer, visit [bchydro.com/benefits](http://bchydro.com/benefits).

Driver's License Type = Class 5

Must be able to work all shifts including afternoons, nights and weekends.

Skill testing assignment may be part of interview process

This posting is for a Full Time Temporary role with an anticipated duration of 24 months and is covered by MOU15 of the MoveUp Collective Agreement.

Please be advised that this role has been assessed as safety sensitive and pre-qualification alcohol and drug testing will be required as a pre-condition to employment.

### **What else you should know**

This position is affiliated with the Movement of United Professionals union (MoveUP/COPE). <http://moveuptogether.ca>

\* Please note this is a MoveUp, MOU15 Group 11 full-time temporary (FTT) opportunity, headquartered in Revelstoke, BC.

\* This Full Time Temporary position is scheduled for approximately 24 months.

\* Successful Candidate will be expected to work night shift.

\* Successful Candidate will be expected to work shift rotations according to the MoveUp Collective Agreement under MOU-15. Position will include periodic deployment to remote locations in the Southern Interior.

\* Electrical background/experience will be considered an asset.

Don't forget to update your Candidate Profile with your current resume and copies of your certifications. If applicable, include your Trades Qualification. This will ensure we have all the necessary information to assess your application without any delays.

Before you apply, please confirm you meet BC Hydro's time in role requirement. M&P employees must meet the time in role requirements specified in the updated M&P TIR policy. For MoveUP and IBEW employees, the current time in role as outlined in the Collective Agreements will apply.

Don't forget to update your Candidate Profile with your current resume and copies of your certifications. If applicable, include your Trades Qualification. This will ensure we have all the necessary information to assess your application without any delays.
